PROFESSIONAL FOOTBALLERS ASSOCIATION CHARITY: EDUCATION DEPARTMENT CRITERIA

WHO CAN APPLY?

Any PFA beneficiary. The definition for a beneficiary is: trainee professional footballers, young persons registered with professional football academies associated with clubs or centre of excellence, current professional footballers, former professional footballers and former trainee professional footballers.

WHAT KIND OF ASSISTANCE IS AVAILABLE?

PFA Education currently provides two forms of funding; Grants and Bursaries. Members attending University are able to apply for a living/maintenance Bursary. Members undertaking any other training may qualify for a grant. We currently assist towards study costs (registration fees, tuition fees, exam fees – NOT private tuition fees) and required textbooks for most courses leading to a nationally recognised qualification.

Unfortunately we cannot fund travel/parking expenses, membership/subscription fees, kit/uniform, tools and equipment or postage fees. Grants towards language training is only given if the member requires these skills for job purposes. Any training that has been undertaken on a personal/recreational basis will not be funded.

HOW SHOULD I APPLY?

University funding is available upon enrolment. Funding for any other course is available on completion of the training/module. Please note 100% of all fees should be paid up front by the member. Claims for books may be made upon purchase - please note we do NOT refund postage fees if you have purchased books online. Please refer to the checklist supplied at the end of this document.

HOW MUCH AM I LIKELY TO GET?

Members attending University can apply for a Bursary of £1,250 per year. The current standard grant towards any other fundable training is 50% towards eligible study costs, subject to a maximum grant per year of £1,500. There is a maximum 'lifetime' grant of £300 towards book costs. PFA Education supports a number of discrete courses that are available to members and the funding is subject to separate consideration by the Trustees.

UNEMPLOYED BENEFICIARIES

An enhanced rate of funding (up to 100%) may be available for members who are registered as unemployed with the Job Centre and are looking to undertake training. You are advised to complete a Grant Application Form and return to the Education Department, along with a letter from your Job Centre to confirm you are currently registered as unemployed and details of the training course you would like to undertake. Your request will be put to the Trustees to establish the level of grant available. You will be contacted once a decision has been made.

IMPORTANT INFORMATION

UK UNDERGRADUATE UNIVERSITY STUDIES (BURSARY)

All members attending University (full-time, part-time, Open University) may receive a Bursary of £1,250 or a pro-rata figure based on the number of credits being undertaken. This will be available at the start of each academic year. We require a Bursary Application Form, a copy of your Student Loan confirmation letter and evidence from your University that you have officially enrolled onto your course. This payment is to cover any necessary items that may be required for your forthcoming year at University, and also to go towards your living maintenance costs. PLEASE NOTE - any member withdrawing from their Degree Programme may be requested to reimburse their Bursary. Please refer to the checklist supplied at the end of this document.

AMERICAN SCHOLARSHIP OR UNIVERSITY STUDIES ABROAD

Members undertaking full time university studies abroad may qualify for a Bursary of £1,250 per year. We require a Bursary Application Form, a copy of your scholarship agreement and confirmation from the University that you have officially enrolled onto your course. This payment is to cover any necessary items that may be required for your forthcoming year at University, and also to go towards your living maintenance costs.

PGCE OR MASTERS

Members undertaking a PGCE or Masters degree may receive a Bursary of £1,250. At the start of the academic year, please complete a Bursary Application Form, and return with a copy of your Student Loan confirmation letter (or receipts) and evidence from your University that you have officially enrolled onto your course. Your request will be put to the Trustees and you will be contacted once a decision has been made.

PERSONAL TRAINING COURSES

Due to the rising number of members wishing to undertake this type of training, a cap has been introduced for all personal training courses. The level of funding available will be 50% up to the maximum of £1,500. Any cost above this amount will not be funded by The PFA.
