Dear <Member>

Professional Footballers Pension Scheme (“the Scheme”)

Why are we writing to you?

We write to you to inform you of an important change in the scheme.

What is changing?

With effect from 1 August 2019, the annual contribution paid into the scheme on your behalf will increase to £5,820.

Is there anything else I need to know?

There is a limit on how much can be paid into your pension scheme(s) each year and still receive tax relief. This is known as the Annual Allowance. The enclosed leaflet provides further information regarding this.

If you have a financial adviser we would recommend that you inform them of this increase in contributions.

What if I need further information?

If you need any more information regarding the changes, please contact the team using the details at the top of this letter.

Yours sincerely

Matthew Milnes
