Your Options

Please complete one of the following options:

I would like you to contact my club and request for the amount of £..... to be deducted from my salary (via salary sacrifice).

If you pick this option, the amount you contribute as an AVC cannot exceed your monthly salary before tax and National Insurance.

I would like to make a one off payment of £..... directly to Broadstone.

If you pick this option, we will provide you with our bank details.

Choice of Investments

Please use the enclosed Information Sheets to decide how you wish for your Additional Contributions to be invested.

Please note that all your funds held in the Scheme are to be invested in the same Investment Strategy you can only Self-select or Lifestyle.

If no selection is made, the Additional Contribution(s) will automatically be invested in line with the remainder of your benefits already held in the Scheme.

Your Investment Options

Please complete one of the following options:

1. I would like to invest my Additional Voluntary Contribution in line with the Investment Strategy of my funds currently held in the Scheme:

2. I would like to change the way all my funds in the scheme are invested:

If you have selected option 2 above, please complete the following to confirm how you wish for your voluntary contribution in addition to the rest of your fund to be invested.
